Dear Mr. Falgoust:

The Louisiana Department of Environmental Quality (LDEQ) received your correspondence on September 27, 2024, notifying the LDEQ of an update in the list of vehicles authorized to transport and the waste to be transported under the above-referenced transporter number. Our records have been updated to reflect the following vehicle(s) (attached) listed under your Transporter Identification Number.

Our records have been updated to include the following waste to be transported: Industrial Waste, Residential & Commercial Waste.

Should you have any questions or require assistance in the future, please contact Missy Day of our section at (225) 219-3244 or Melissa.day2@la.gov.

Sincerely,

Charles Finley, Manager
