Hazardous Waste Transporter Permit

A Hazardous Waste Transporter Permit is required in the State of Tennessee by the Department of Environment and Conservation for the transportation of hazardous wastes that originate in the State of Tennessee and / or have a Tennessee destination.

This Permit is issued to:
Oakley Trucking, Inc.

3400 Gribble Street
North Little Rock, AR 72114

EPA ID Number	Effective Date	Expiration Date
ARR000033381	1/31/2025	1/31/2026

Special Instructions:

1. An original or photocopy of this Permit must be kept in each transport vehicle.
2. A transporter must not transport hazardous waste which originates or terminates in Tennessee without having received an installation identification number and a transporter permit from the Department.
3. This Permit is not transferable. Destroy all expired, previously issued Permits.
4. Report spills within the State of Tennessee immediately to 1-800-262-3300 (the Tennessee Emergency Management Agency - TEMA).

Lisa A. Hughey, CHMM
Director
